**DAVENPORT UNIVERSITY TO HOST SAGINAW AREA HIGH SCHOOL STUDENTS
AT PROFESSIONAL BUSINESS DAY**

SAGINAW, Mich., Feb. 12, 2013 – More than 500 area high school students will benefit from the expertise of nearly 180 community volunteers at the annual Professional Business Day to be hosted by Saginaw Career Complex and Davenport University at Davenport’s Saginaw Campus on Tuesday, Feb. 26, from 7:30 a.m. to 2 p.m.

High school students from across Saginaw County will network with representatives from area companies, participating in mock interviews and attending seminars on career preparation. As a result of last year’s event, over 25 students were offered internships or jobs after the interviews.

“Davenport University is excited to present this fun and educational event for students in the Great Lakes Bay Region,” said Denise Sherman, Director of Davenport’s Saginaw Campus. “Professional Business Day is a great opportunity for students to build on their knowledge about what it takes to succeed in a career. This will help them to make sound decisions about what they need to do to get where the world is going in professional careers.”

Participating high schools include Heritage, Arthur Hill, Swan Valley, Saginaw High, Nouvel, Chesaning and St. Charles. Among businesses and organizations represented are Covenant Health Care, Consumers Energy, Dow Chemical, Wright-K Technologies, Garber Buick, Local 85, Wildfire Credit Union, Chemical Bank and more.

All media are invited to attend.
