DAVENPORT UNIVERSITY TO HOST PROJECT HEALTHY LIVING 2013

LIVONIA, Mich., Apr. 2, 2013 – Project Healthy Living, a series of community health screenings and body wellness checks, will set-up for a day-long event at Davenport University's Livonia Campus. The event will feature a variety of health vendors like Quest Diagnostics, Karmanos Cancer Institute, Urban Health Outreach, Michigan Rehabilitation Services and many more.

The public health screenings are high quality, free and low-cost health screening for illnesses like obesity, diabetes, hypertension, cancer and heart disease. Free tests being offered include height and weight measurement, body mass index, hearing, vision, blood pressure, chiropractic and podiatry evaluation, health counseling and referral.

Register online [here](#) or call 313-531-9108 to avoid the long lines!

All media are invited to attend.

WHAT:	Project Healthy Living
WHEN:	Tuesday, April 16 9:00 a.m. – 7:00 p.m.
COST:	FREE and open to the public
WHERE:	Davenport University Livonia Campus 19499 Victor Parkway Livonia, MI 48152

About Davenport University

Founded in 1866, Davenport is a private, non-profit university serving more than 11,000 students at campuses across Michigan and online. With tuition among the lowest of all private universities in the state, Davenport provides high academic quality, small class sizes, conveniently located campuses, faculty with real-world experience and more than 50 dynamic undergraduate and graduate programs addressing in-demand careers in business, technology and health professions. More information is available at www.davenport.edu.
