**DAVENPORT UNIVERSITY'S WARREN CAMPUS TO HOST
FULL-SCALE ACTIVE SHOOTER SIMULATION**

WARREN, Mich., Aug. 7, 2013 – A full-scale active shooter simulation will take place on Tuesday, August 13, 2013 at the Davenport University Warren Campus. The Warren Police Department and area emergency responders will take part in the drill as well as Davenport University faculty, staff and students. The exercise will simulate an active shooter in a campus setting with over 70 volunteers role-playing wounded or deceased victims.

Local emergency responder teams will be on site and fully deploy their equipment and personnel to practice their response to this large scale event. Davenport University, the City of Warren, St. John Providence Health System, area Fire/Rescue, EMS and Law Enforcement agencies as well as other agencies and organizations from both the public and private sector will be involved in the simulated event. Davenport University Nursing students will work alongside emergency responder teams to triage victims.

The event will occur from 11:30 a.m. to 2:00 p.m. Media are invited to attend and view the event from observation areas on the Davenport Campus. **All media are invited to attend, but must contact DU Communications Manager Lyndsie Post by NOON on Monday 8/12, to be included on the credentialing list.** Only those on the credential list will be granted access to the simulation site. Participating media will need to **be on site and report to the check-in table before 11:00 a.m.** Media trucks are asked to use the northeast entrance off Parkview to enter the Davenport University parking lot and park behind the buildings. Media without trucks will not be allowed to park in the DU parking lot.

WHEN: Tuesday, August 13, 11:00 a.m. – 2:00 p.m.

WHERE: Davenport University Warren Campus
27650 Dequindre Road
Warren, MI 48092

About Davenport University

Founded in 1866, Davenport is a private, non-profit university serving about 11,000 students at campuses across Michigan and online. With tuition among the lowest of all private universities in the state, Davenport provides high academic quality, small class sizes, conveniently located campuses, faculty with real-world experience and more than 50 dynamic undergraduate and graduate programs addressing in-demand careers in business, technology and health professions. More information is available at www.davenport.edu.
