**DAVID BEHEN TO SPEAK ABOUT MICHIGAN’S TECHNOLOGICAL CLIMATE**  
*This event is part of Davenport University’s Technology Week*

**LANSING, Mich., May 12, 2015** – Davenport University’s Lansing Campus will host an evening with David Behen, Michigan’s Chief Information Officer and Director of the Department of Technology, Management & Budget, on May 19, 2015, from 6:00 p.m. to 7:15 p.m. At the event, which is open to the public, Behen will speak about the current and future technological climate in Michigan.

Behen also will participate in a panel discussion on the benefits of achieving a college degree in the technological field and employment opportunities. The panel will include Aphrodite Jones, Associate Dean of the College of Technology at Davenport University; Eduardo Suniga, Interim Dean for Program Quality Management at Lansing Community College; and Alan Wright, Deputy IT Director for Michigan State Senate. Attendees will have the opportunity to ask questions.

This presentation is one of many events that are part of Davenport University’s Lansing Campus Technology Week. **For more information, contact Susan Porrett at 517-367-8208.**

**All media are invited to attend.**
