DAVENPORT UNIVERSITY ONLINE GLOBAL CAMPUS PROGRAMS RECEIVE HIGH RANKINGS

Six programs ranked among the best

GRAND RAPIDS, Mich., Dec. 29, 2016 – Davenport University academic programs available through its online Global Campus received accolades from various organizations based upon a variety of criteria, including cost, value, accreditation, experiential training, and curriculum.

The Top Masters in Healthcare Administration ranked Davenport's MBA with Healthcare Management Concentration #4 on its list of the top 20 master's programs in the field, noting the balance between business and healthcare courses 'develop a deeper understanding of healthcare leadership than they might at another institution.' Davenport's College of Health Professions also saw a #6 ranking in the Best Online Bachelor Degrees in Health Informatics list produced by CollegeChoice.net. The Bachelor of Science in Health Information Management "is a strong contender for one of the most comprehensive programs on this list," according to the website, which noted Davenport's innovative approach to the curriculum and the faculty with real-world experience. This ranking can be found [here](#).

Davenport's College of Technology also received high marks, ranking #5 on the 10 Best Deals for Online Programming Degrees list produced by GreatCollegeDeals.net, which looked at accredited programs with the best net price. Davenport's low student-to-faculty ratio and its high ranking among the best colleges for 2016 published by *U.S. News and World Report*. The full list can be seen [here](#). Davenport also appeared on the 30 Best Online Bachelor's in Cyber Security for 2017 list, finishing 24th. See the full list [here](#).

Davenport's Donald W. Maine College of Business also received high rankings through the "30 Best" lists, finishing 19th for Online Bachelor's in Sport Management and 22nd for Online Bachelor's in Finance. These lists can be found [here](#) and [here](#).

"We are excited about the growing recognition for Davenport's high quality academic programs available through its Global Campus online," said Brian Miller, Dean for Davenport's Global Campus. "Online learning allows many students to better manage their time while pursuing their higher education degree while also working. Davenport's Global Campus brings more than 50 high-quality programs to students wherever they may live."
