Serious knowledge pays. This degree combines the newest business, technology and healthcare education. You’ll learn strategic and operational resource planning and decision making to prepare you as a leader in this growing field.

Why DU?

• Only program of its kind in Michigan and a truly interdisciplinary degree.

• Faculty members are industry experts.

• Cutting-edge curriculum is advocated by the American Health Information Management Association (AHIMA).

• AHIMA strategy outlines strong need for prepared HIM professionals.

• When accredited by Commission Accreditation of Health Informatics and Information Management (CAHIIM), this DU degree will join only eight accredited programs in U.S.

Davenport University

• We are a private, non-profit university, preparing students for careers.

• We award $15 million in scholarships each year.

• We maintain a low student-to-faculty ratio.

• We offer 11 campuses across Michigan.

• We specialize in flexible online or on-campus classes, days and evenings.

• We are nationally respected for our curriculum and faculty.

College of Health Professions

The DU College of Health prepares you for growing opportunities within many healthcare disciplines, including nursing, health information management, occupational therapy and allied health. We focus on building essential skills for your professional advancement. Find your future with Davenport’s College of Health Professions.
